

RESOLUTION
of
UPPER COLORADO RIVER COMMISSION

Re: Appropriations of Funds for the On-Farm Salinity
Control Program in the Colorado River Basin

WHEREAS, on-farm programs as sponsored by the U. S. Department of Agriculture are an integral part of the Colorado River Basin Salinity Control Program; and

WHEREAS, in past years a portion of the Agricultural Conservation Program funds has been set aside for on-farm salinity control practices; and

WHEREAS, \$190 million has been proposed for the total Agricultural Conservation Program in the 1981 U.S.D.A. budget, none of which is earmarked for on-farm salinity control practices:

NOW, THEREFORE, BE IT RESOLVED that the Upper Colorado River Commission supports funding for the on-farm salinity control practices in the Colorado River Basin, and urges that not less than \$5,750,000 of said \$190 million be earmarked for such practices so that the U.S.D.A. can carry out its salinity control program in an expeditious manner in fiscal year 1981.

CERTIFICATE

I, PAUL L. BILLHYMER, Secretary of the Upper Colorado River Commission, do hereby certify that the above Resolution was adopted by the Upper Colorado River Commission at the Regular Meeting held in Denver, Colorado, on March 17, 1980.

WITNESS my hand this 18th day of March, 1980.

PAUL L. BILLHYMER
Secretary
