UPPER COLORADO RIVER COMMISSION

In re: Colorado River Enhanced Snowpack Test

BE IT RESOLVED That the Upper Colorado River Commission, at its Adjourned Regular Meeting, Denver, Colorado, May 13, 1982, does hereby support an increase in the proposed budget of the Bureau of Reclamation for fiscal year 1983 in the amount of \$11 million to be financed from the Reclamation Fund for the purpose of developing the Colorado River Enhanced Snowpack Test program (weather modification).

BE IT FURTHER RESOLVED That the Executive Director transmit copies of this resolution to the Congressional Delegations and the Governors of the Commission's member States, to the Commissioner of Reclamation, Robert N. Broadbent, and to the members of the Subcommittees on Energy and Water Development of the Committees on Appropriations of the United States Senate and the House of Representatives.

CERTIFICATE

I, PAUL L. BILLHYMER, Executive Director and Secretary of the Upper Colorado River Commission, do hereby certify that the above Resolution was adopted by the Upper Colorado River Commission at the Adjourned Regular Meeting held in Denver, Colorado on May 13, 1982.

WITNESS my hand this 17th day of May, 1982.

  
Paul L. Billhymer

Executive Director and  
Secretary
